

JEWELS FROM THE VAULT

Treasures of the University Archives

Housed in Rohrbach Library, the University Archives embraces a singular collection of artifacts, images, and documents illuminating the history of NE Berks County and Kutztown University ever since the day in 1866 when Maxatawny Seminary became the Keystone State Normal School.

On display on Rohrbach Library's second floor are vintage pennants, photographs, caps, a decidedly retro letter sweater, and many other surprising pieces of our past.
