WRITTEN ASSIGNMENT III

(1) Identify one paragraph in either Friedman, Frank, or Klein, that offers a fundamental argument for or against globalization that you think is misguided or inaccurate. Include this paragraph in your essay.

(2) Explain in your own words what the author is trying to say in the paragraph you have selected. You should try to address the complexity of the paragraph. Be sure to place your analysis in the context of the entirety of the readings assigned from each book for this week, not just that paragraph.

(3) Explain in detail why you think the author’s point is flawed. You are encouraged to draw upon the analysis of the other authors in supporting your case.

Your essays should be typewritten, double-spaced, and should not exceed 3 pages. You should demonstrate a deep and detailed mastery of the readings. Please use direct quotes from the readings where appropriate to illustrate and support your points.
