W 1:00pm – 2:45pm  
H 1:30 – 2:45pm

T 7:30 – 8:00am (GR307)  
H 7:30 – 8:00am (GR307)  
Other times by appointment

**Text:** UNIX Systems Programming: Communication, Concurrency, and Threads  
by: Kay A. Robbins and Steven Robbins  
(may indicate second edition)

### Grading Policy:

Your grade will be computed as follows:

Projects	65%
Final Exam	25%
Discussion Questions	10%

The University Scale will be used in determining letter grades.

### Assignments:

All assignments are due at midnight on the due date. **Assignments may be photocopied and retained in order to document examples of completed assignments for program accreditation.** Include the following information at the top of **ALL** assignments: **your name, the course (CSC552), semester and year, and assignment number.**

### E-mail:

When sending me e-mail, please indicate the course number in the subject line by putting it in brackets before your subject. For example, if you are in 135, the following may be the subject:  
[CSC552] Need help with my program

### Final Exam:

The final exam must be taken when scheduled unless I have approved an alternative time PRIOR to the scheduled time. University policy will be followed.

**Projects / Programs:**

Any project turned in after the due date and time will be considered late. Late projects will be penalized 10% for each calendar day it is late.

**Discussions Questions:**

Students are expected to participate in all on-line discussions. Participation must be beyond a simple yes/no response or brief sentence. More details will be provided prior to the first question being posted.

**Academic Dishonesty:**

All students should familiarize themselves with the [Computer Science Department Academic Integrity Policy](#). Any student copying work or giving work to another student will receive a zero for that assignment and will be referred to the department chairperson.

**Students with Disabilities or Special Needs:**

Students with diagnosed disabilities or special needs that require accommodations for this course must first contact the Disability Services Office, located in the Office of Human Diversity at 215 Stratton Administration Building. Do this as soon as possible so that we may have a dialogue as to your needs and the recommended accommodations. Please also let me know about what accommodations you may.

**Note:**

This syllabus is subject to change at the discretion of the instructor.
