

Name: _____

Directions: Under the picture of each family member is a statement that will help you identify how he or she is related to Dayna. Look at the statements to below to match the name with the face. Take the worksheet in you need time to think. Record you answers and turn your solution in to me.

Dayna is hosting Thanksgiving this year. She invited her family (Edward, Josephine, Brendan, Sarah, Kyle, Mary, Addison, and Bryan) to her house. Her father, her uncle, her grandmother, her brother, her mother, her grandfather, her aunt, and her sister all had a great time at her house!

Figure out how each person is related to Dayna and write them below.

1. Mary is not Dayna's mother.
2. Edward has no children.
3. Edward is Sarah's brother.
4. Bryan is not Dayna's uncle.
5. Kyle is not Dayna's brother.
6. Kyle is not Dayna's uncle.
7. Josephine is Dayna's sister.
8. In the afternoon, all of the men were watching football. Addison, Mary, Josephine, and Sarah were talking and not watching football.
9. Brendan is Dayna's grandfather.
10. Sarah is Kyle's sister.
11. Mary is Kyle's mother.

Grandfather: _____
