

AUTOGRAPHED BOOKS

August 1990

(Updated: February 20, 2003)

A special file was, at one time, maintained for autographed books; shelf list cards for items cataloged prior to 1989 can be found in the Thesis/Auto drawer of the shelf list catalog. When an autographed book is being cataloged, a note indicating that fact is added to the record in a 590 field. The 590 field reads as follows:

590 **Autographed copy.**

or

590 **Copy 3 is an autographed copy.**

or

590 **Copy 2 autographed by illustrator.**
