REFERENCE FOLIOS

04 February 2000

Certain atlases and reference materials are too large to be shelved with the regular Reference collection. There are special cabinets for shelving such items.

Reference Folios do not have a unique library code. The bibliographic record is formatted as follows:

    49   KZSR[Folio]

Any 949/929 holdings field in the bibliographic record would be formatted as follows:

    949   KZSR[Folio] ±v 1--2

The holdings record format is as follows:

    852   ±b Reference ±h G432 ±i .H44 2000 ±k Folio
